6.2.1 Perspective Plan and Deployment of One Activity i.e. Skill Development

Perspective / Strategic Plan and deployment documents

After the visit of NAAC peer team to the college on 21/09/2013, the college prepared the perspective / strategic plan by taking into account the following aspects:

1. NAAC peer team's observations and recommendations for quality enhancement of the Institution during the previous re-accreditation.
2. Vision and Mission of the Institution
3. The feedback obtained from various stakeholders of the college
4. The policy of higher education and related UGC schemes.
5. Recommendation of IQAC

Strategic plan

By taking into consideration above mentioned aspects, the college planned the following activities for the quality enhancement of the Institution:

Introducing new courses

NAAC peer team (Second Cycle) suggested that college should introduce job oriented programmes B. Com, Fashion Designing, Mass Communication and journalism, communication skills, etc. B. Com is the highly demanding course and as suggested by the stakeholders of the institution, the College plans to introduce B.Com course in new academic session. Along with this college will start certificate courses in Yoga, Gender studies and Fashion Designing.

Strengthening feedback system

The college plans to strengthen the feedback system. Structured questionnaire will be used to obtain feedback from various stakeholders such as Students, Teachers, Employers, Alumni, Parents.
