“PLASTIC-FREE CAMPUS INITIATIVE”

Plastic pollution is currently one of the biggest environmental concerns. plastic waste has emerged as one of the biggest environmental concerns adversely impacting the soil, water, health and well-being of citizens at large.

As per the UGC Guidelines College has decided policy for plastic free campus:

- Ban on use of single-use plastics (Carry Bags) in the institution's premises and hostels, etc.
- All students and staff should avoid bringing non-bio-degradable plastic items to the institution.
- All students and staff ensure to make their households 'plastic free' and do sensitize about the harmful effect of plastic.
